Approved by:

Steven A. Kotke, P.E., City Engineer, Director of Public Works

Presenter: Stephanie Malmberg, Professional Engineer

Reviews:

Permanent Review Committee (PRC):	NA
Civil Rights Affirmative Action Plan	NA
Policy Review Group (PRG):	NA

Financial Impact:

Within current budget

Supporting Information:

The City of Minneapolis, on an annual basis, gathers competitive bids and executes contracts for the securing of class A aggregate for the City's roadway seal coating operations. This action is needed to cover the cost of additional Class A aggregate which was required to complete the 2012 seal coating activities. The original estimate of quantities was created in the winter of

2011-12 based on the streets programmed for seal coating. During the actual 2012 season, additional work was added, increasing the quantity of materials needed. Funds are available in the Department's general fund appropriation. No additional appropriations are required.
